Statement of Senate Democratic Leader Mike Prusi (D-Ishpeming) on Temporary Budgets

“It’s a shame that we are in this situation in the first place, but this option gives us an opportunity to work out a long-term solution to this crisis. Senate Democrats remain committed to a protecting public safety, education, and health care so that our state can achieve the economic recovery Michigan families deserve. We believe there is still a chance to do so by enacting tough budget reductions, reforms, and generating enough revenue to avoid extreme, dangerous cuts.”
