Haugh and Switalski Announce New District Office

(LANSING)- State Representative Harold Haugh (D-Roseville) and State Senator Michael Switalski (D-Roseville) announced today the new location of their district office, to be located at 31513 Gratiot, Suite B in Roseville. The office is between Sajo's Restaurant and the Sunoco Shadowwoods Auto Service Station on the southbound side of Gratiot. The new district office number for State Senator Switalski will be (586) 294-0925 and the fax number will be (586) 294-0985. Representative Haugh can be reached at 1-866-99-HAUGH.

"I will miss the old Roseville Theatre Building, which has been home since 1999, but I believe that the new site will better serve the residents of the 10th State Senate District," said Switalski. "Co-locating with my friend and colleague Harold Haugh will enhance the convenience and efficiency for the people we serve."

"I am delighted to be able to offer my constituents a District Office location in order to better serve their needs," said Haugh. "The District Office has just completed construction so that all residents may enjoy the facility. We will be hosting a Grand Opening in the near future. At that time, I will have our local phone number, regular office hours, and set times that I will be available for drop-in appointments. My office will also supply various information on tax issues, foreclosures, senior citizen issues, as well as any other information requested by our constituents."

The 10th State Senate district includes Clinton Township, Roseville, Sterling Heights, and Utica. Haugh's 42nd House district includes Eastpointe, parts of Fraser, and Roseville.
